FWCS-ASME / SNAME June Dinner Meeting

Michael Perry
Chief Engineer - MV MAERSK ALABAMA

**Thursday
June 04, 2009**

You are invited to join the Florida West Coast Section of ASME for a our April meeting on Wednesday evening April 22, 2009.

Please be our guest for our June Dinner Meeting. Our guest speaker will be Michael Perry, Chief Engineer of the MV Maersk Alabama. On April 8, 2009 four Somali pirates seized the Maersk Alabama 240 nautical miles southeast of the Somalia port city of Eyl. Mr. Perry will discuss his experience with the pirates aboard the Alabama as well as his participation in the events that took place. Mr. Perry will give his view on piracy on the high seas and it's effects on the future of the maritime industry. I look forward to seeing you there.

Sincerely,

Matt Montgomery
